ISRAEL UPDATE - April 26, 2024

America Stands with Israel: Congress Approves Historic Aid Package

On Tuesday, Congress passed a historic \$14.3 billion emergency security assistance package for Israel, demonstrating that America stands unwaveringly with the Jewish state. This vital aid for Israel received overwhelming bipartisan support in both the House and Senate, and is the largest U.S. security aid package in Israel's history. This aid is essential to ensuring Israel has the resources and support needed to defeat Hamas, free the hostages, and defend against attacks from Iran and its terrorist proxies. The legislation also includes critical provisions to combat the Iranian nuclear threat and intensify sanctions against Hamas and other Iranian terrorist proxies. Importantly, one of these provisions is the Stop Harboring Iranian Petroleum Act, which cracks down on Iran's illicit oil exports, primarily to China, a key source of funding for the regime. AIPAC thanks Congress for passing this historic aid package for Israel's security and applauds the bipartisan leadership of Congress for gaining passage of the security assistance — including Senate Majority Leader Schumer, Senate Republican Leader McConnell, Speaker Johnson, and House Democratic Leader Jeffries. We also express our appreciation to President Biden for originally proposing the emergency supplemental.

Our synagogue partners with AIPAC, America's pro-Israel lobby, in educating our community on issues affecting the U.S.-Israel relationship. We encourage you to learn more by contacting AIPAC at 202.639.5200 or by visiting www.aipac.org.
